### STUDENT-ATHLETE AUTHORIZATION TO DISCLOSE PROTECTED HEALTH INFORMATION

I hereby authorize any medical provider of the Student-athlete listed below, associated with his/her school/organization/team, including Lubbock Sports Medicine, Dr. Stephen Cord, Dr. Kevin Crawford, Dr. Robert King, Dr. Field Scovell, Dr. David Shephard and other Lubbock Sports Medicine Providers, to release the Student-athlete's protected health information and related information regarding the Student-athlete's medical status, medical condition, injuries, illness, prognosis, diagnosis, injury rehabilitation, athletic participation status, related personally unidentifiable health information, and to provide emergency medical treatment. This protected health information may be released to the Student- athlete's parents/legal guardians, other health care providers, hospital and/or medical clinics and laboratories, physical therapists, athletic trainers, athletic coaches, athletic directors, and other medical personnel of the Student-athlete's school/organization/team.

I understand that my refusal to sign this authorization/consent for the disclosure of the Student-athlete's protected health information authorization may affect the Student- athlete's ability to participate in athletics at his/her school/organization/team.

I understand that my protected health information is protected by the federal regulations under the Health Information Portability and Accountability Act (HIPAA) and may not be disclosed without my authorization. I understand that once information is disclosed per authorization or consent, the information is subject to re-disclosure and may no longer be protected by HIPAA. I understand that I may revoke this authorization/consent at any time by notification in writing.

This authorization/consent for the disclosure of the Student-athlete's protected health information expires one year from the date it is signed.

**ADVANCE PRACTICE NURSE  
CONSENT FOR TREATMENT**

This facility has on staff an advance practice nurse to assist in the delivery of orthopedic care.

An advance practice nurse is not a doctor. An advance practice nurse is a registered nurse who has received advanced education and training in the provision of health care. An advance practice nurse can diagnose, treat and monitor common acute and chronic diseases as well as provide health maintenance care. In addition, the advance practice nurse may treat minor lacerations and other minor injuries.

I have read the above and hereby consent to the services of an advance practice nurse for my orthopedic needs.

I understand that at any time I can refuse to see the advance practice nurse and request to see a physician.

## **PHYSICIAN ASSISTANT CONSENT FOR TREATMENT**

This facility has on staff a physician assistant to assist in the delivery of orthopedic care.

A physician assistant is not a doctor. A physician assistant is a graduate of a certified training program and is licensed by the state board. Under the supervision of a physician, a physician assistant can diagnose, treat and monitor common acute and chronic diseases as well as provide health maintenance care.

Supervision does not require the constant physical presence of the supervising physician, but rather overseeing the activities and accepting responsibility for the medical services provided.

A physician assistant may provide such medical services that are within their education, training and experience. These services may include:

- Obtaining histories and performing physical exams
- Ordering and/or performing diagnostic and therapeutic procedures
- Formulating a working diagnosis
- Developing and implementing a treatment plan
- Monitoring the effectiveness of therapeutic interventions
- Assisting at surgery
- Supplying sample medications and writing prescriptions

I have read the above and hereby consent to the services of a physician assistant for my orthopedic needs.

I understand that at any time I can refuse to see the physician assistant and request to see a physician.
