

MRI SERVICES

The physician owners of Lubbock Sports Medicine have invested in MRI equipment in order to provide superior imaging quality at the greatest convenience and timeliness for our patients. This allows you to receive most of your orthopaedic care on the same visit and with minimal delays.

You may however, decide that you would like these services provided by another facility located in the area. Below is a list of other imaging facilities:

Lubbock Diagnostic Radiology 4005 24th Street 792-2767

Covenant Diagnostic Imaging 3525 19th Street 792-4444

Atlas Imaging 3823 23rd Street 771-7740

Grace Medical Center 4515 Marsha Sharp Freeway 744-2553

We do not endorse or have any control over any of these facilities, and your insurance may not cover services with these suppliers.

Please advise the nursing staff if you wish to use any of these facilities
